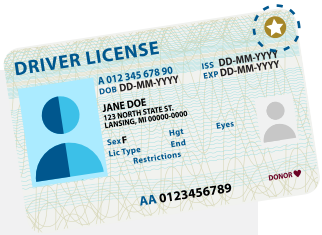
ARE YOU **REAL ID** READY?

If you don't have the star, you won't go far

Starting October 1, 2020 all U.S. citizens ages 18 and up will need a REAL ID-compliant driver's license or another accepted form of identification to **BOARD FLIGHTS WITHIN THE U.S**. Here's how to make sure you're **#REALIDready.**



01 CHECK FOR THE STAR

REAL ID-compliant licenses are generally marked with a star located in the upper corner of the card. If you're not sure about your current ID, contact your state's department of motor vehicles or driver's license agency.

02 GET A REAL ID

Contact your department of motor vehicles or driver's license agency to learn your state's **REAL ID process.** Make sure you have all necessary documentation before arriving onsite to begin the process to secure a REAL ID.

03 UNABLE TO GET A REAL ID?

If you're unable to get a REAL ID before October 1, 2020: TSA will accept other forms of ID so you can still board your flight, including:

- U.S. passport
- U.S. military ID
- Enhanced Driver's License (MI, MN, NY, VT and WA)
- DHS trusted traveler cards (Global Entry, NEXUS, SENTRI, FAST)

04 SPREAD THE WORD

Make sure your family and friends are **#REALIDready** before October 1, 2020.
